

## Poster Submission Guidelines for NICHE User Conference February 21, 2008

**Content:** the poster may be one of two types: a NICHE program initiative or a research project. Showcase one or more of the following components of a NICHE program: the GRN model, ACE unit/principles, geriatric protocols, innovative staff development approaches, and community outreach.

*Authors are asked to submit: 1) an abstract with contact information and 2) a flyer/handout of the poster (legal size, 8 1/2 x 14 inches). The abstract and poster handout will be provided to participants in the conference CD, in PDF format.*

### **INSTRUCTIONS /CRITERIA FOR SUBMITTING ABSTRACTS**

• Submit abstract and handout to [nursing.niche@nyu.edu](mailto:nursing.niche@nyu.edu)

**Submission deadline is November 15, 2007.**

**Program and project initiative** abstracts should include the following information: background, purpose, goals/measures, method of implementation, results, and implications.

**Research projects** should include the following information: background, problem, methodology, findings and implications. Please indicate in the abstract if the research is in-progress.

*Please include primary author and contact information.*

*The text should be single-spaced and not exceed 250 words.*

### **ACCEPTED POSTERS**

- Authors are requested to bring or send their posters directly to the hotel.
- Accepted posters should be hung on **Wednesday, February 20 by 8 AM.**
- The poster session is scheduled for the **User Conference Thursday, February 21 2:15-3.** Authors will be stationed at their posters.
